

ADMISSIONS INFORMATION

Below is the admissions procedure for Garden City Academy

STEP 1: APPLY

- Applications are available [HERE](#). Applying to GCA does not obligate you to enroll in the school, nor does it guarantee a spot at the school, it is simply the first step in the exploration process.

STEP 2: INTERVIEW & ASSESSMENT

- After completion of the online application, someone from the school will reach out to schedule a family interview and student assessment.

STEP 3: ENROLL

- Upon receiving a letter of acceptance to the school, your family will have the opportunity to enroll. The first month's tuition payment is due during the enrollment period. This payment reserves the student's spot in the class and serves as the family's commitment to attend the school for the upcoming school year.
